APPROVAL OF MINUTES

1. The draft minutes for meeting of 17 June 1969 were approved after the inclusion of a DIA rewrite of paragraph 12.

REPORT ON SATELLITE OPERATIONS

25X1A 2. [redacted] reported that the launch schedule for the CORONA was being revised in light of tentative instructions from EXCOM that the remaining CORONA's be scheduled to insure an adequate [redacted] Under the new guidelines [redacted] 25X1D
He reported that the revised launch schedule should be available next week. He noted that this change did not affect the launch of Mission 1107 scheduled for 23 July. 25X1D

however, this would be offset by the increased number of targets framed. It was noted that this early launch plan had been briefed by NRO to some COMIREX members but not to ICRS which caused the members some embarrassment in not being able to respond to their COMIREX principals questions. It was requested that such matters affecting requirements be presented first to ICRS prior to briefing COMIREX.

25X1A 4. The NRO representative also distributed a memorandum which addressed film utilization on the [redacted] and made specific recommendations regarding the most efficient use of surplus film during wintertime operations. He requested that this subject be scheduled for discussion at the next meeting.

SOUTH CHINA/NORTH VIETNAM PRIORITIES LIST

5. The DIA member tabled a memorandum which recommended the deletion of 3 road segments, the lowering of 22 of the segments to a Priority 2, and the elevation of 2 areas in the DMZ to a Priority 1. These changes were approved by the Subcommittee.

25X1D

The other request was submitted by the Office of Emergency Preparedness (OEP). The Chairman noted that these would be scheduled for consideration at the next meeting. The CIA member, in commenting on the NPIC requirement, requested that NPIC provide a more precise definition and justification of the targets. The DIA member requested that the Chairman check with the OEP people to determine map source or coordinate validity for their target nominations.

TARGET UPDATES

7. The weekly transaction sheet containing:
- 192 Additions
 - 5 Reactivates
 - 14 Changes
 - 57 Deletions
 - 19 Inactivates were approved.

Two recommended delete actions were held in a pending status until the next meeting.

KH-4 SUN ANGLE STUDY

8. The Chairman distributed a paper prepared by [redacted] NPIC, entitled "KH-4 Sun Angle Study". [redacted] noted that it may be of assistance in assigning priorities for Mission 1107.

OPERATIONAL FEEDBACK STANDING REQUIREMENT FOR CORONA

25X1A

9. [] provided a draft paper stating the minimum operational feedback that is required by ICRS on all KH-4 missions. He requested that members be prepared to discuss this at the next meeting.

CUBA

10. The Chairman reported that area coverage for the current 56 day period stood at 83%. He also reported that DIA was still conducting an inhouse review of the Cuban requirement which should be completed about the middle of July. He stated that it was his goal to have an approved paper for presentation to COMIREX by the end of the month.
